EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: The title is amended to read, "BLOCK DEVICE DRIVER ENABLING A RUGGEDIZED FILE SYSTEM".

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: Claims 1, 6, 7, 12-14 and 29-72 are allowed either for reasons previously presented or as argued in Applicant's remarks filed 21 October 2004.

Regarding claims 15-20 and 24-28 Applicant states, on page 35 of the paper filed 21 October 2004, that the claims are "amended to state that the second new command defines a new consistent state... and that only the two new commands are added..." Examiner finds this amendment lacking in the claims, particularly "that only the two new commands are added". To clarify the record, claims 15-20 and 24-28 are allowed because the prior art does not teach or fairly suggest said new data is stored in said physical blocks that are not the first blocks in said chains of physical blocks, in the scope and context of claims 15, 17, 18, 19, 25, and 28.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
